

NATIONAL INTELLIGENCE OFFICERS
OFFICE OF THE DIRECTOR OF CENTRAL INTELLIGENCE

DATE: 11 April 1974

TO: All NIOS

FROM: GACarver, Jr.

SUBJECT:

REMARKS:

Attached for your information is a copy of a 9 April memorandum from the DCI to the DDO which I was delighted to see. If Colby's policy is followed -- as it doubtless will be -- most of you (perhaps all) should shortly receive certain classes of material which you now receive only in very summary form. This will be useful but it is important to remind you that in this realm the DDO does have some very legitimate operational security concerns. The take from some of these operations is extremely sensitive and even where the take is not all that remarkable the fact that these individual operations are being conducted is in itself an item of utmost sensitivity which, if disclosed, could often produce very awkward political consequences. I would, hence, appreciate each of you taking particular pains to ensure that the security of any such operations of which you become aware is properly protected.
